

Corporate Team Challenge 📌

The challenge is open to all groups / associations that complete the 10K. The winning team score is based on the total time for the first 4 finishes in the team.

Team leaders, here's how to get your team set up smoothly:

- ✓ Enter the event and confirm your team name
- ✓ You'll receive a team code to share with your teammates
- ✓ Team members can then enter the event and add the code to join your team

⚠ Important:

Team codes can't be added to entries already submitted

If this happens, please email us with the athlete names and numbers, and we'll add them to your team

👤 Teams can include up to 8 members (sorry no dogs allowed)
